

PROPHESE,

Which hath been in a Manuscript,

IN THE

Lord Powis's Family Sixty Years,

1679.

About the time that 1 shall be }
Joyned unto 2 times 3. } 1647.
And 4 times 10 with 4 times 2 }
Amongst us shall be great ado. } 1648.
An Eagles Head that time shall fall,
Scattered will be the young ones all.

Then shall a Cypher swell so great, } *Oliver*
His Name 100 takes the Seat, } *Cromwel.*
And shall do mighty things before
He is removed off the Shore.
But 10 times 4 with 8 times 6, }
Doth in another World him fix. } 1658.

Then quickly after you shall spy,
The Eagle back again to fly,
And shall himself bedeck again,
With Feathers of his Fathers Train.
Then heavy Times shall make men say,
Oft-times alas and welladay,
And with that they a Death might find,
For something troubles sore their Mind.
Then after all a Cloud shall come,
And almost darken quite the Sun.
And in that time Actions shall be
Chiefly carried on by three.
The Cross, the Surplise, and the Crown,
Strive who shall put each other down.
Great Treachery and Bloodshed then
Shall sweep away great store of Men.

The Lion and blue Flower shall seek
Quite to destroy the Heretick Sheep.
And *England* shall be hard bestead,
Before the Miter hence be rid.
False *Ireland* contrives our woe,
But zealous *Scotland* doth not so,

Begin again at 1 and 6,
And 10 times 7 begins these Tricks. } 1677

And for a time shall last full fore, }
Till you may number 1 and 4. } 1681.

And for 4 more it shall abate, }
To return in an happy state. } 1685.

Then better every day will be,
But no more—in *England* see.

When 8 times 8 and 3 times 3, }
With 6 and 1 shall joyned be, } 1680.
Then shall be sacrificed C.
In dust shall lye that arrant Whore,
Disdain'd of all like to *J—S—* }
And all her Brats turn'd out of dore }
J. R. shall into Saddle slide, }
And furiously to *Rome* shall ride, }
His Principles no longer hide. }
The Pope shall have a fatal Fall,
And never trouble more *Whitehall*, }
Nor *England's* People more inthrall. }
And he that chanceth to survive, }
Until the year of eighty five, }
Shall see this Land begin to thrive. }

O *England's* wonder, which hath never been,
3 Q—in *England* shortly shall be seen!
2 D—shall highly for the Crown contend,
Each shall bring *England's* Monarchy to end.
B—shall fall into contempt and scorn,
And Gospel-Angels shall our Church adorn.
If any ask, how this shall come to pass,
The Fox shall ride the Goose, the Goose the
Ass.

FINIS.

PROPHET
